

RESORT OVERVIEW

In the quest to find places of outstanding natural beauty, Ninh Van Bay was selected as a breathtaking setting for An Lam Retreats Ninh Van Bay. Although the bay is wild and seemingly isolated, it only takes 55 minutes to drive from Cam Ranh International Airport to the main port and another 15 minutes by boat to get to the resort. An Lam Retreats Ninh Van Bay unveils the gate to the tranquility of nature, where the dramatic rock formation and the pristine beach set an ultimate sanctuary ambiance for a private hideaway filled with rich experiences and sacred moments of connection.

At An Lam Retreats Ninh Van Bay, we encourage our guests to make the most of their stays by contributing to the sustained growth of the environment and the local society. Here, everything has been designed with sustainability in mind, from building and restaurants (where most of the ingredients used are home-grown or locally sourced) to diverse initiatives conducted by the resort to protect the surrounding nature (focusing on efficient energy consumption, water usage, waste management, no plastic policy, natural protection, and social commitment). The resort manages its crystal water refinery, producing high-quality drinking water without using plastic bottles. An organic vegetable garden and a chicken farm also support the ultimate aim of self-sustained food and beverages, drastically reducing the environmental footprint. Wherever possible, the packaging is kept to an absolute minimum or is reusable.

As a playground for the over-and-underwater world adventure, the resort takes guests on fascinating experiences to explore the island's vibrancy and create sacred moments of connection with loved ones. Start the day by saluting the sun with yoga on your private deck and relaxing over a leisurely breakfast before heading off to the beach to ride the waves and breathe in the salty air. Learn the art of farm-fresh cooking with our talented chefs, ride a bike around the resort, or get on a trail to the natural stream. As the sun goes down, a sunset cruise experience is an ideal choice to be at peace with yourself while indulging in the marvelous landscape.

An Lam Retreats Ninh Van Bay holds a strong emphasis on developing people. All the staff is called "stars" to show appreciation towards their hard work and play a role as a source of motivation. The brand values are also defined by its attentive care for the guests--offering a private butler "An" who takes care of every guest's need.
