SEN RESTAURANT

All-day dining restaurant

Built on a dramatic rock formation, Sen is the perfect place to experience the rising dawn of a new day or take in the beauty of a sunset, offering indoor and outdoor seating areas. Under the talented hands of our nationwide chefs, all the menus are built around the farm-to-table concept, complemented by the freshest, locally sourced seafood and home-grown produce. Inspired by the pure beauty and peacefulness of the lotus flower, symbolizing Vietnamese heritage, Sen stimulates a serene ambiance where guests can genuinely indulge in the bountiful flavors while contemplating the beauty of nature.

SEN DECK

There is always time for a cocktail!

Located on the top floor of Sen Restaurant, Sen Deck is a perfect sundowner spot where guests can work their way through the utterly delicious cocktail and snack menu while soaking in the 360-degree panoramic views of the sun setting on the bay.

At the jetty

Get whisked off to your very own venue and lose yourself in the splendid ocean views. Our chef prepares dinner as the sun slips into the sea, let the lovebirds be accompanied only by twinkling stars and the joy of being together in the middle of pristine nature.

By the beach

Instead of having dinner at the same go-to spots, you can spend the night enjoying a private candle-lit dinner on the beach with your toes in the sand while enjoying the beautiful backdrop of a moonlit jungle.
